Dear Friends of St. Vincent de Paul Society,

The St. Vincent de Paul Society is an essential provider of services. While our communities are hunkered down to fight this COVID crisis, our homeless have no place to go. We provide low-income housing, senior housing, and manage the CBJ warming shelter that is averaging over 40 person per night.

Our thrift store provides over 25% of our income. During this pandemic and with the State of Alaska Coronavirus virus mandates, the store went on reduced hours March 20th and closed on March 23rd. We also have tenants who cannot pay their rent because they are now unemployed during this time. We need your support to continue serving the poor, homeless, and most vulnerable in our community.

Please support our 2020 Spring Appeal to keep our programs funded so that our brothers and sisters in need in our community can be fed, sheltered, and clothed.

We provide direct aid to homeless individuals and families by supplying food, clothing, heating and rent assistance, bus tokens and support. We currently have 35 adults and 30 children living at our transitional shelter, 16 residents in Paul's Place and 25 Smith Hall residents. We manage 135 units of low income housing and many of our clients suffer from disabilities. We recently provided 200 food vouchers at Juneau Project Homeless Connect.

We know these are difficult times, but we can all work together to fulfill our mission, to provide material and spiritual charity and work for social justice for all people!
